Pinku Biswas Honored with International Award for Excellence in Animation & Film Production

○ In receiving the award, Biswas acknowledged his team's dedication, emphasising the collaborative nature of Ayanaa's success. "This award is not just mine- it belongs to the talented and hardworking individuals at Ayanaa Cinematics who have shared this journey with me," he remarked during his acceptance speech.

Pinku Biswas, producer and visionary leader of his production company 'Ayanaa Cinematics', has been honoured with an international award for leading one of the fastest-growing animation and film production companies in South Asia. The award ceremony, held at the prestigious Indo-Arab Leaders Summit in Dubai, was a grand occasion attended by dignitaries and industry leaders from across Asia and the Middle East.

His production series Phir Subah Hogi, which focuses on girls' education and women's empowerment. This series became a massive success during its prime-time slot on Doordarshan National, not only drawing in large audiences but also igniting important discussions around social issues, further solidifying Ayanaa Cinematics' reputation for producing content with both entertainment and impact.

In receiving the award, Biswas acknowledged his team's dedication, emphasising the collaborative nature of Ayanaa's success. "This award is not just mine—it belongs to the talented and hardworking individuals at Ayanaa Cinematics who have shared this journey with me," he remarked during his acceptance speech. He also underscored the importance of global partnerships, noting that the co-productions currently underway reflect Ayanaa's commitment to pushing creative boundaries and fostering cross-cultural collaboration.

These international co-productions highlight Ayanaa Cinematics' growing influence on the world stage,

bringing together creative minds from different countries to produce cutting-edge films and animation projects. With Biswas at the helm, the company is well-positioned to continue its upward trajectory, setting new standards in the industry.

The international recognition is another testament to Biswas's multifaceted career, which spans over 25 years, including his leadership in international higher education. Now, with Ayanaa Cinematics playing a pivotal role in global co-productions, Biswas is helping shape the future of the entertainment industry.

Ayanaa Cinematics has produced a range of acclaimed projects that have made a lasting impact on audiences. Among their most notable works is the popular historical series Swarajyarakshak Sambhaji Maharaj, which aired on Zee Network and garnered widespread recognition for its compelling storytelling and production quality. Similarly, Prince Jai & Dumdaar Viru, a children's animated series on Sony Network, captivated viewers with its vibrant animation and engaging narrative, earning significant viewership and praise. Another standout project from Ayanaa Cinematics is the televi-
